Dear All,

We would like to invite you to our forthcoming workshop on practice research. This workshop is the start of a series of new events hosted by StoryLab Research. It is designed to trigger cross-disciplinary conversations both within the academic and the post-graduate student community. The aim is to introduce and exchange ideas in order to plant seeds for future individual and collaborative research and practice.

The workshop is for one hour and will consist of

- 1) Brief StoryLab presentation on practice-research.
- 2) Short (2-3 minute) verbal presentations of research interests by each participant.
- 3) Discussion and summary.

For more details or any questions regarding the workshop, please send an email to krisztian.hofstadter@anglia.ac.uk.

Sincerely,
Krisztian
